About us

“Education isn’t just about learning, reading, writing, and arithmetic. Instead, it’s about gaining the knowledge and skills needed to become a better person and create a better society to live in “

The fanatical vision of ICBio PU College is to empower students by inculcating the knowledge of curriculum, skills, social conduct, and responsibilities. ICBio PU College was established in the year 2015. During the journey, we understood the right requirement for a student to be an active participant in the 21st century.

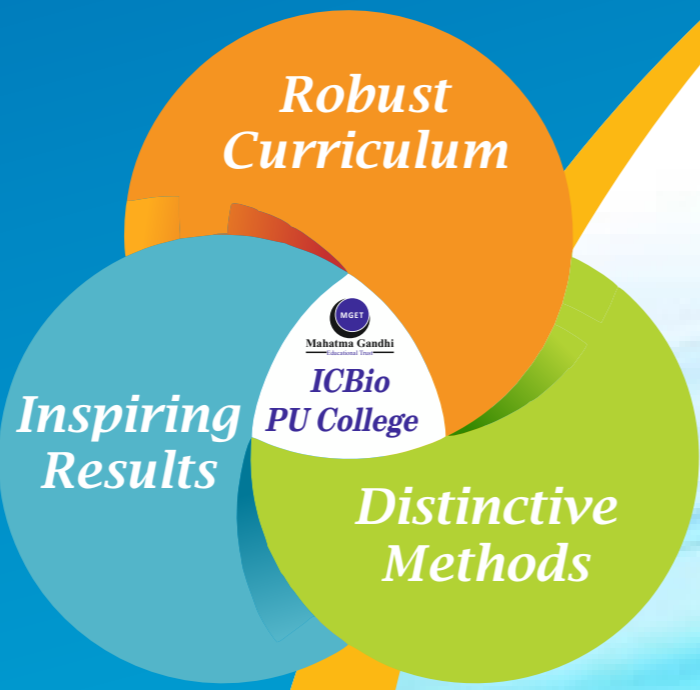

we are recognized by the department of Pre- University Education, Government of Karnataka. We focus on the overall development of students by ensuring personalized attention from qualified faculties for a Conducive learning environment.

As years passed the progress of students increasing is a hallmark of our Academic achievement, not only in the Board Exams but also in various National level Competitive Exams. This is possible only by having encouraging management and a supportive team of faculties. As per the CSR, the Institution believes in the RIGHT TO EDUCATION by providing the free and right education to the right candidates with distinction, as it is not only the responsibility of the Government.

As we venture ahead and spread our wings in this spectacular valley of value-based education. We endeavour to strike a balance between state of art infrastructure and a robust curriculum that open the doors to global platforms for our skill, value based and problem solving students
